MAYES NAMED DEAN OF CONTINUING ED

Dr. Thomas A. Mayes, member of the Gallaudet College Board of Directors and coordinator of College Services for the Deaf at San Fernando State College, Northridge, California, has been appointed dean of continuing education. In order to accept the new position, Dr. Mayes will resign from the Board.

Prior to coming to SFVSC in 1970, he served as project director of Language for the Deaf at San Fernando Valley State College, Northridge, Calif., has tion program affiliated with Michigan State University, and coordinator of Programs for the Deaf and Hard of Hearing for the Flint Board of Education.

A member of the National Association of the Deaf, Professional Rehabilitation Workers With the Adult Deaf, Alexander Graham Bell Association, Dr. Mayes is vice president of both the Council of Organizations Serving the Deaf and the Greater Los Angeles Council on Deafness.

GALLAUDET STUDENTS FEATURED ON TV

Six Gallaudet students have been discussing the problems of the hearing impaired on a two-part TV program, "Doing and Being," which began on June 17.

Tom Tyberg, Cynthia Saltzman, Bobby Moore, James Neeley, Mary Sue Hodges, and Hedy Udkovich will appear again this Saturday at 11:30 a.m. on WTOP-TV.

AROUND AND ABOUT

No, the Tower Clock has not been striking 13, but roof repairs are underway, hence the scaffolding....Judy Cox, formerly personnel assistant in the Office of Business Management, has been named to the library staff as assistant to the

librarian. Judy will be concerned primarily with acquisitions....Since June 1971, we have had over 2600 people visit the campus, 132 of whom have been representatives of foreign countries....The portrait of "Doc" will be temporarily hung in the hallway of College Hall near his old office. At a later date it may be moved into the office of the recipient of the Powrie Vaux Doctor Chair of Studies..

SOCCER AND CROSS COUNTRY SCHEDULES SET

The soccer and cross country teams have set their fall schedules. The soccer team will play 14 games, and the cross country will run in seven dual and one quadrangular meets, one invitational and two championships.

PUBLIC SERVICE PROGRAMS INVOLVED IN A NUMBER OF CONFERENCES

June 12, 13, & 14:

A Community Leadership Conference was held to assemble experienced people from the fields of public service, rehabilitation, community service, and adult education to meet with trainees who are potential leaders of the deaf community.

The purpose of the conference was to provide these trainees with extensive information from which they can develop community action on behalf of deaf persons.

June 17:

The Parent Section of the Convention of American Instructors of the Deaf in coordination with the Public Service Programs sponsored an all-day informational workshop for parents of deaf children in the Washington area.

Representatives of numerous organizations and agencies involved in the field of deafness also attended this pilot workshop. Film demonstrations, teaching machines, communicative devices, and free literature were featured at the workshop.

June 26:

Representatives from schools for the deaf throughout the Middle Atlantic area, Gallaudet College, and HEW will be in attendance at a special all-day orientation workshop on the "Monterey Method."

The "Monterey Institute Programmed Language Acquisition Curriculum and Methodology" is a system for structured language development based on sound linguistic principles and using positive reinforcement techniques.

June 28 & 29:

The nineteen states which currently have State Coordinators of Vocational Rehabilitation Services for the Deaf will be attending a two-day workshop at Airlie House in Arlie, Virginia.

The conference, planned and coordinated by the Public Service Programs, will examine the unique approaches for work with deaf persons and will serve as a forum for cooperative programming.

GALLAUDET AND WJZ-TV PLAN TV SERIES

Gallaudet and WJZ-TV (Channel 13) of Baltimore have been working together to produce 65 28-minute daily television programs to begin this fall.

Developed to appeal to the general public as well as the hearing impaired audience, the program will include three areas: general education courses, courses in manual communication, and interviews with deaf persons. The program which will be captioned will also employ the simultaneous method.

SENIOR TO BE SAFETY & SECURITY COORDINATOR

Michael Lockhart, a member of the sen-

ior class, will join the Security Department on July 1 as safety and security coordinator.

Michael's duties in this newly formed position will include coordinating campus-wide safety studies and building inspections, assisting with traffic control, and acting as liaison between the students and the security department. He will also assist the patrolmen with improving their manual communication skills.
